U.S. Vets Initiative

Usvetsinc.org
(202) 545-1660

The U.S. Vets Initiative is the nation's largest nonprofit provider of services to homeless and at-risk veterans. They seek to help provide permanent housing for veterans and their family members. Their facility in D.C. serves 85 veterans daily and also provides employment assistance and other programs.

Their mission is to facilitate a successful transition of veterans and their families to civilian life with counseling, legal services, and career development.

Vets Enterprise Training & Services Group

vetsgroup.org
(202) 822-0041

The VETS group is a non-profit, community-based organization that provide a holistic program for veterans and their families to achieve economic empowerment. They accomplish this by providing education, entrepreneurship opportunities, and employment. Partnering with corporations, they also conduct training seminars for federal procurement, small business development, and financial literacy.

Assistance with affordable housing, family strengthening, and health rehabilitation is also offered.

D.C. VA CRRC Washingtondc.va.gov (202) 636-7660

The Community Resource and Referral Center provide services to assist homeless and/or at-risk veterans and their family members. These facilities centralize federal and local partners to provide services/amenities such as:

- A primary care clinic
- Laundry facilities
- Shower facilities
- Food pantry
- Play room for children
- And many more community services
